

BE GREAT! . . . BE DISTINCTIVE!

95001 Rallye Sno Foam Gun

PRODUCT INFORMATION SHEET

Description:

Our **95001 Rallye Sno Foam Gun** is well compatible with almost all pressure washers. This tool can generate perfect dense foam even working with the smallest type of pressure washer. Used with our **1152 SNO CAP Sno Foam Car Wash** our **95001 Rallye Sno Foam Gun** will bring mousse style foam. Ideal as a pre-wash or regular wash soap this operation will loosen and remove surface dirt with no brushes or scratches. Ideal for hand washes or pre-clean for regular wash. With the perfect design and special treatment, the **95001 Rallye Sno Foam Gun** has no problem of foam density or leaking. The 1 quart bottle contains enough liquid allowing you spray high density foam cover all over your vehicle. This unit also has non-metric threads for easy bottle replacement.
