QUICKLY CLEANS AND AIR DRIES...

CARPETS & UPHOLSTERY... VENTS... HARD TO REACH AREAS... CRACKS AND CREVICES

The **89010 TORNADOR CLASSIC** Cleaning & Detailing Tool makes car cleaning and detailing quick and easy. The **Tornador's** air driven oscillating tip and nozzle creates a tornado cleaning action that tackles some of the most challenging jobs. Use the **Tornador** for interior uses to quickly and safely clean and remove stains from carpets, upholstered seats, headliners, consoles, and dashboard trim. The **Tornador** is great to use as an exterior detailer to quickly clean wheels, grilles, cracks, crevices, emblems and even express detailing! Until you use it, you cannot believe the results!

Also available

89011 Tornador Foaming Gun generates aerosol type foam using your favorite multipurpose cleaners. Save time and money and control the amount of foam and strength by using the products you normally use in detailing operations.

Also available

The **89014 Tornador Blowout Gun** lifts all the dirt and grime from carpets to ensure deep and total cleaning. Use the **Tornador Blowout Tool** to dry and dress wet engines after power washing and detailing.

Also available

89020 TORNADOR BLACK features double the power of the **Tornador Classic**, low wear and maintenance, and lower air consumption. Dirt and grime are immediately released from fabrics, carpet, and solid surfaces
