responsible  
products

- **Features:**
  - Quality blend of mineral oils
  - Lemon fragrance
  - Concentrated formulation
- **Benefits:**
  - Excellent final rinse
  - Customer acceptance
  - Low per use cost
- **Use for:**
  - Tunnel car wash systems
  - Wand car washes
  - No smearing, fast beading final rinse
- **How to use:**
  - Consult MSDS for complete safety information before using
  - Mix to allow approximately 5 ounces of diluted product per vehicle
  - For best results follow equipment manufacturers' recommendations and make final adjustments as necessary
- **Tech Tip:**
  - Clean tires and wheels with a separate sponge or wash mitt. Silicone previously applied to tires can reduce or eliminate car wash suds if mixed with the soap solution.
