

BE GREAT! . . . BE DISTINCTIVE!

# 2030 DIABLO WHEEL ACID PRODUCT INFORMATION SHEET

**Description:** **2030 DIABLO WHEEL CLEANER** is a non-hydrofluoric wheel cleaner. This blend of phosphoric acid, sulfuric acid and several surfactants quickly loosens and dissolves tough brake dust, road film and baked on soils from wheels. When diluted properly, **2030 DIABLO WHEEL CLEANER** is safe on most aluminum, chrome, wire and painted wheels. Do not use undiluted. Clear, no color.

▪ **Features:**

- No hydrofluoric acid
- Fast acting and removes brake dust and road film
- Concentrated formulation

▪ **Benefits:**

- Cleans and brightens in one easy step
- No heavy scrubbing necessary
- Very economical per use cost

▪ **Use for:**

- Aluminum and chrome wheels, chrome wheel covers, and wire wheels
- Unsurpassed cleaning of brake dust
- Aluminum brightening at truck wash facilities

▪ **How to use:**

- **\* Test before using to ensure compatibility**
- **WARNING: Contains a mixture of fluorides and acids. This product will cause irreparable eye and skin damage. Read the product label thoroughly before using. Consult MSDS for complete safety information before using. Always wear protective gloves, apron, and goggles when using this product.**
- Dilute up to 1:4 with water
- Apply this product to wheels that are cool to the touch
- Test a small, inconspicuous area of the wheel to ensure compatibility
- Doing one wheel at a time, spray product directly on wheel
- Allow to dwell for no more than one minute. Scrubbing may be necessary on stubborn areas.
- Rinse wheel thoroughly with hard stream of water

**Tech Tip:**

This product cleans by etching wheel's metal surface. Frequent applications may damage the surface.
