This product contains
NO PHOSPHATES

▪ **Features:**

- Strong acid-base cleaning formula
- Fast acting and removes brake dust and road film
- Concentrated formulation

▪ **Benefits:**

- Cleans and brightens in one easy step
- No heavy scrubbing necessary
- Very economical per use cost

▪ **Use for:**

- Steel wheels, chrome wheel covers, and wire wheels
- Unsurpassed cleaning of brake dust
- Detailers and automatic car wash applications

▪ **How to use:**

- **NOTE: This product will cause irreparable eye and skin damage. Read the product label thoroughly before using. Consult MSDS for complete safety information before using. Always wear protective gloves, apron, and goggles when using this product.**
- **READ AND UNDERSTAND THE SAFETY DATA SHEET (SDS) BEFORE USING.**
- Ready to use or can be diluted up to 1:4 with water
- Apply this product to wheels that are cool to the touch
- Test a small, inconspicuous area of the wheel to ensure compatibility
- Doing one wheel at a time, spray product directly on wheel
- Allow to dwell for no more than one minute. Scrubbing may be necessary on stubborn areas.
- Rinse wheel thoroughly with hard stream of water

Tech Tip:

- Wet the body area around the wheels with cool water to prevent spotting of the painted areas.
