

BE GREAT! BE DISTINCTIVE!

2063 HEAVY DUTY BUG REMOVER PRODUCT INFORMATION SHEET

Description: 2063 HEAVY DUTY BUG REMOVER makes hard-to-remove contaminants (like bugs and light tree sap) disappear as easy as 1-2-3. Designed for tunnel car washes, 2063 HEAVY DUTY BUG REMOVER is widely used in detail shops. Just spray onto the affected area, let the super strong, penetrating formula break up the contaminants for you, and wash the vehicle.

- **Features:**
 - High alkalinity
 - Biodegradable, nontoxic
 - Super concentrated formulation

- **Benefits:**
 - Removes heavy bug marks and stains
 - Safe on painted, chrome, and glass surfaces (when used as directed)
 - Very economical per use cost

- **Use for:**
 - Heavy duty removal of bugs and light tree sap
 - Car wash presoak
 - Detail work

- **How to use:**
 - Consult MSDS for complete safety information before using.
 - Wet surface to be cleaned with water.
 - Mix 1 part product with 10 parts water.
 - Spray the area with HEAVY DUTY BUG REMOVER.
 - Allow to penetrate bug splatter for approximately one minute.
 - On stubborn spots, use a bug sponge to remove large bugs.
 - Rinse clean.
 - Wash vehicle with car wash soap to remove any material left on the finish.

- **Tech Tip:**
 - Do not apply to a hot surface or let dry on surface. Do not use on freshly painted surfaces.
