2064 FALL OUT REMOVER

PRODUCT INFORMATION SHEET

Description: **FALLOUT REMOVER** is a clear, ready-to-use liquid that effectively removes metallic fallout particles embedded in painted surfaces. **FALLOUT REMOVER** breaks the bond between embedded metallic particles and the painted surface. When used as directed, **FALLOUT REMOVER** will not harm glass or chrome and will not soften, fade or discolor finish.

- **Features:**
 - Ready-to-use
 - Removes air borne metallic contaminants
 - Fast acting
- **Benefits:**
 - No mixing
 - Lifts metallic particles without buffing
 - Quickly preps vehicle for cleaning
- **Use for:**
 - New car prep
 - Full detailing
 - Rail dust removal
- **How to use:**
 - Consult MSDS for complete safety information before using.
 - Rinse automobile thoroughly to remove loose surface dirt.
 - Apply **FALLOUT REMOVER** at full strength to the affected areas.
 - Using a sponge or wash mitt rub lightly to help loosen fallout deposits.
 - Allow the necessary time for the product to work, usually 3-5 minutes is sufficient.
 - Rinse thoroughly with water to flush away contaminants.
 - Wash vehicle and dry.
 -
- **Tech Tip:**
 - Keep off aluminum and plastic moldings. Do not apply to a hot surface or let dry on surface.
