

BE GREAT! BE DISTINCTIVE!

2540 E-Z PARTS CLEANER

PRODUCT INFORMATION SHEET

E-Z PARTS CLEANER is specially formulated for removing petroleum residues from automotive, machined, and manufactured parts. **E-Z PARTS CLEANER** lasts 3-4 times longer than most solvents including mineral spirits and Stoddard solvent, reducing waste and the time and cost of managing waste streams.

- **Features:**
 - Proprietary blend of solvents and surfactants
 - Contains no chlorinated solvents.
 - Ready-to use
- **Benefits:**
 - Lifts and suspends oil, grease and dirt for easy removal
 - Noncaustic - noncorrosive
 - No mixing necessary
- **Use for:**
 - Machine application
 - Hand washing of parts
 - Clean oil stained concrete for sealing and painting
- **How to use:**
 - Consult MSDS for complete safety information before using.
 - For machine application:
 - Follow equipment manufacturer's recommendations
 - For hand application:
 - Immerse parts in **EZ PARTS CLEANER**
 - Agitate with a small brush if necessary.
 - Clean residue with a towel, air pressure, or rinse with water.
- **Tech Tip:**
 - Use **EZ PARTS CLEANER** at room temperature for best results.
