

BE GREAT! BE DISTINCTIVE!

2565 RED 142 DEGREASER

PRODUCT INFORMATION SHEET

RED 142 DEGREASER is a solvent based parts washing cleaner compound specifically formulated for use in recirculating parts washer equipment. **RED 142 DEGREASER** provides an economical and effective method for cleaning metal parts while being gentle on the hands. Grease, oil, dirt, sludge, grime, ink, light carbon and similar soils are dissolved with minimal soaking and brushing.

▪ **Features:**

- Special blend of solvents and cleaning products
- Special corrosion inhibitors
- 142° F flash point

▪ **Benefits:**

- Contains no chlorinated solvents or chlorofluorocarbons
- Protects metal products which have just been cleaner
- Combustible, not flammable degreaser

▪ **Use for:**

- New car dealers
- Machine shops
- Industrial repair shops

▪ **How to use:**

- Consult MSDS for complete safety information before using.
- Use product as is. Do not dilute
- Follow equipment manufacturer's recommendations for best results

▪ **Tech Tip:**

- This parts washing solvent contains no chlorinated solvents or other CFC's that are known to harm the environment.
