

BE GREAT! BE DISTINCTIVE!

2590 90D Degreaser

PRODUCT INFORMATION SHEET

Description: **90 D DEGREASER** is a ready-to-use citrus solvent that contains no petroleum, caustics, or acids. **90D DEGREASER** cleans and degreases engines and industrial equipment. Use **90D DEGREASER** to clean and deodorize drains, grease traps, sewers, dumpsters, etc.

- **Features:**
 - Low toxicity, organic citrus solvent
 - Emulsifies petroleum based soils
 - Contains no caustics, acids, or petroleum solvents
- **Benefits:**
 - Replaces petroleum-based products
 - Effectively removes grease, tar, asphalt, and undercoating
 - Less hazardous degreaser and drain cleaner
- **Use for:**
 - Engines, industrial equipment, drain pipes, and grease traps
 - Multipurpose exterior and interior cleaning
 - Cleaning unpainted concrete floors. Removes tire scuff marks
- **How to use:**
 - Consult MSDS for complete safety information before using.
 - NOTE: **90D DEGREASER** may damage some plastic or painted surfaces. Test before using.
For economy **90 D DEGREASER** can be diluted up to 1:40
 - As an engine cleaner or degreaser –
 - Apply full strength for best application.
 - Scrub as necessary with brush or floor machine
 - Rinse thoroughly with strong stream of water
 - As a drain opener or drain maintainer –
 - Pour 8 oz into drain and allow to stand for 1 hour
 - Flush with water

- **Tech Tip:**
 - For a clinging degreaser or graffiti remover mix 3:1 with cold water..
