products

- **Features:**
 - Nano-tech polishing abrasives.
 - New generation cleaners
 - Little spatter and sling.
- **Benefits:**
 - Levels imperfections and removes swirls
 - Restores a glassy, smooth shine
 - Easy clean up
- **Use for:**
 - Removing scratches, swirls, and minor imperfections
 - Precleaning surface before applying final wax protection
 - Restore and create the optimum gloss on dark paints
- **How to use:**
 - Consult MSDS for complete safety information before using
 - Ensure surface is cool to the touch
 - **For best results we recommend our 85232/85332 gray foam waffle polishing pad.**
 - Using an applicator pad, apply a small amount of product directly on the painted surface
 - While the product is wet, buff a 2' x 2' area with a high speed surface and buff until product dry
 - Wipe surface with a microfiber cloth to ensure complete product removal
