responsible  
products

- **Features:**
  - Nano-size carnauba wax
  - High tech polymers and silicones
  - Advanced nano technology
- **Benefits:**
  - Fills minor scratches and produces deep, vibrant color
  - Provides protection against oxidation, UV rays and surface degradation
  - Provides long lasting protection and shine
- **Use for:**
  - New car prep
  - Use car detailing and reconditioning
  - Renewing aged or weathered painted surfaces
- **How to use:**
  - Consult MSDS for complete safety information before using
  - Ensure surface is cool to the touch
  - ***For best results we recommend our 85115/85315 white foam waffle final finish polishing pad.***
  - Using an applicator pad, apply a small amount of product directly on the painted surface
  - While the product is wet, buff a 2' x 2' area with a high speed surface and buff until product dry
  - Wipe surface with a microfiber cloth to ensure complete product removal
