

BE GREAT! BE DISTINCTIVE!

3237 *NANO IV* Paint Sealant

PRODUCT INFORMATION SHEET

Use ***DISTINCTIVE DETAILS*** for the

NANO IV PERFECT FINISHES

Our ***NANO IV Paint Sealant*** is a blend of nano-sized carnauba wax and silicone polymers designed to seal the painted surface. This proprietary blend assures excellent durability and protection properties against the weather, environmental, and industrial containments. ***NANO IV Paint Sealant*** allows the vehicle's finish to remain blemish-free longer and considerably easier to clean, reducing the time, energy and expense needed to keep the vehicle's exterior in top shape. VOC compliant.
