

BE GREAT! BE DISTINCTIVE!

CLASSIC WAXES/POLISHES

35201 EXCEL 35206 ROYAL BLUE

DISTINCTIVE DETAILS' Premium Carnauba Paste Car Waxes are the car wax of choice to finesse all paint types to perfection and to achieve a deep, lasting shine. More than just adding a great, deep shine, both products offer paint protection against sun, acid rain, airborne contaminants, and other paint-harming agents. Latest technology actually repels grease, dust, and fingerprints. **35201 EXCEL** is pure carnauba wax without cleaners. **35206 ROYAL BLUE** is the same carnauba wax with mild abrasive cleaners.

35201 EXCEL CARNAUBA PASTE WAX

- Premium grade Carnauba wax

products

35206 ROYAL BLUE PASTE WAX

- Shines and protects freshly cleaned paint
- Produces a high gloss, durable wet look finish
- May be applied by hand or high speed buffer

How to use:

- Consult MSDS for complete safety information before using
 - Be sure painted surfaces are cool to the touch before applying product
1. Apply product evenly over painted surface with a moistened applicator pad.
 2. Allow to dry to haze.
 3. Remove residue with a clean, soft polishing cloth or towel.
