

**BE GREAT! . . . BE DISTINCTIVE!**

# 6003 Y2G POWDERED FLOOR SOAP

## PRODUCT INFORMATION SHEET

**Description:** **Y2G POWDERED FLOOR SOAP** is a granulated powder designed for cleaning finished and unfinished concrete floors. Our **Y2G POWDERED FLOOR SOAP** will remove heavy oil, grease, dirt, and other soils with ease. **Y2G POWDERED FLOOR SOAP** is also formulated with anti-redepositing agents to keep floors looking cleaner longer. This powdered floor cleaner has a blend of two high power surfactants that help deep clean greasy floors. Y2G is yellow in the dry form. When activated with water the product is green.

- **Features:**

- Powdered, alkaline, multi-component cleaner
- Chemical action does the work
- Fast acting alkalis and emulsifying agents

- **Benefits:**

- Cleans the toughest cleaning problems
