

BE GREAT! BE DISTINCTIVE!

6011 WHITE POWDERED FLOOR SOAP

PRODUCT INFORMATION SHEET

Description: **POWDERED FLOOR SOAP** is a granulated powder designed for cleaning finished and unfinished concrete floors. Our **POWDERED FLOOR SOAP** will remove heavy oil, grease, dirt, and other soils with ease. **POWDERED FLOOR SOAP** is also formulated with anti-redepositing agents to keep floors looking cleaner longer. This powdered floor cleaner has a blend of two high power surfactants that help deep clean greasy floors.

- **Features:**
 - Powdered, alkaline, multi-component cleaner
 - Chemical action does the work
 - Fast acting alkalis and emulsifying agents

- **Benefits:**
 - Cleans the toughest cleaning problems
 - Saves time and labor
 - Strong cleaning for oil and grease stains

- **Use for:**
 - Painted and unpainted concrete floors
 - Concrete and asphalt parking lots
 - Driveways and concrete pads

- **How to use:**
 - Consult MSDS for complete safety information before using
 - Sprinkle **Powdered Floor Cleaner** all over area to be cleaned.
 - Scrub with a stiff broom or brush.
 - Allow time for product to act, scrub again,
 - Rinse.

- **Tech Tip:**
 - For light grease and dirt on concrete, dilute 4 oz. of product to a gallon of water, spread this solution on floor and scrub with broom, then rinse.
