

TIRE LUBE

2065

Concentrated

body shop safe

Description: **TIRE LUBE** is a field-proven product that does an outstanding job in mounting tires to rims. Special lubricity additives are used to allow tire mounting ease. **TIRE-LUBE** exhibits strong 'clinging' tendency, to allow the lubricant to stay where it belongs to work, and not run away. Corrosion inhibitors are incorporated into our **TIRE LUBE** to help inhibit rim corrosion.

§ **Features:**

- Outstanding Lubricity
- No caustics or acids
- Concentrated formulation

§ **Benefits:**

- Easy to Use
- Safe on painted and chrome surfaces and hands
- Very economical per use cost

§ **Use for:**

- Outstanding rim lubricity
- Strong 'cling' effect
- Helps stop corrosion

§ **How to use:**

- Consult MSDS for complete safety information before using
- Use as is to take advantage of the 'cling' feature
- Dilute the product 50/50 with water, for economy

§ **Tech Tip:**

- Dilution will be individually determined by rim conditions and mounting procedures.
