

GEMINI

Aerosol Dressing

90357

body shop safe

Description: **GEMINI** is a convenient, ready to use rubber, vinyl and plastic dressing which leaves an instant high gloss finish. **GEMINI** is ideal to use on hard-to-reach areas, inside and out. It is a non silicone formula making it suitable for use in body shops.

§ **Features:**

- Special high shine formulation
- No silicones
- Fast drying
- Directional spray nozzle

§ **Benefits:**

- Looks, feels and performs like traditional dressings
- Body shop safe
- Collects no dust
- More accurate spray pattern

§ **Use for:**

- Interior plastic, vinyl, and rubber trim
- Exterior plastic and vinyl trim and tires
- Reaching hard to get places like air vents

§ **How to use:**

- Consult MSDS for complete safety information before using
- *Do not apply to seat bottoms, steering wheel or foot pedals.* This product can cause these surfaces to be slippery
- Shake container well before and during use
- Mist directly on areas to be treated
- Allow to air dry

§ **Tech Tip:**

- For best results, always apply to clean, dry surface
